

# !! CONSTRUCTION ALERT !!

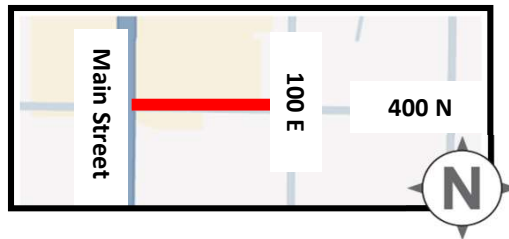

## CENTRAL HEBER WATER & SEWER REPLACEMENT PROJECT

### ▶ **NOTICE: Construction Coming Soon**

In the coming weeks, significant sewer excavation and water line replacement work will begin in your area. Here's what to expect:

- **Sewer Excavation on 400 N:** On Monday 02/10 crews will begin sewer excavation on the corner of Main and 400 North, progressing eastward to 100 E.
- **Water Line Replacement on 400 N:** A couple weeks after sewer excavation begins, crews will follow up with water line replacement along the same stretch.
- **Additional Work on 400 N:** Once the water line work is complete, crews will continue with pressurized irrigation installation. This phase is expected to be finished by late March.

**DURING ACTIVE WORK ON YOUR ROAD, STREET PARKING WILL NOT BE ALLOWED.** Additionally, if crews are working directly in front of your driveway or parking lot, please plan to park elsewhere during daylight hours. Final paving is anticipated to be completed by late Spring. *[See project website for additional details and updates]*

**In the case of a service disruption will be provided a 48-hour notice. (Note: Most service disconnects last 4-8 hours)**
